“ I am sure going to miss my casino partner. I love her so much. She was always a ray of sunshine, truly an angel on earth and now an angel in Heaven. She has her wings now and I am sure she is following God around step for step. she is probably asking him where the slot machines are. Carol and Richard, you both will need each other so much more now. So lean on each other through your grief and heartache, because Myrte is in a better place. No more pain and suffering. I wish that Sandy and I were able to be there for you .Though she suffered on earth, she suffers no more. GOD BLESS....Dewdrop and Sandy

“ I love you my Carol , you have always been my strength and my angel here on this earth. Meredith was given more love and care from a mother , than any child I have ever known. Until we see her again may God give you a peace like no other that you can rest easy now that she is well and made whole.
Prayers for you always,

“ *Mert made an impact on everyone she ever met. You met her, you loved her, it was an automatic. I know she is in the hands of our Lord and Savior, Jesus Christ. No more pain will she have to endure now. I will always remember the times we got together in Biloxi. She so enjoyed that. And watching her face as she ate crab fingers, what a joy. Once she came to visit in Orlando and we went to see Barney the Purple Dinosaur, will not forget her face, she was so happy.*
Be strong, Carol and Richard, love you!

“ Carol,
My heart is so broken right now for you and the entire family. Meredith was the center of your family and many families/relatives.. She was the light in every room. She was always such a sweet little girl with such a strong will for life. Over the years that never seem to have changed. She was special in everyone"s heart whom knew her.

I have been praying for you and the entire family ever since Babe called me early Sunday morning. I have been praying for... Strength, Peace above ALL understanding and praying for God to show up in a BIG way. Praying that you ALL would feel God's presence among you, so you would know, you are NOT alone. God is with you always, just call upon his name and there you shall find him.

*Love you all so much and will continue to pray.
Love Becky*

“ *Carol, our thoughts and prayers are with you as you grieve the loss of Meredith. She was such an inspiration to everyone that was a part of her life. I saved an article from the The Gwinnett Citizen prior to the celebration of her 35th birthday. The last sentence of the article read "Thirty five years filled with obstacles, but each overcome through positivity and love.
