

Michael Sam Allen

July 16, 1956 - January 2, 2026

Mike Allen, 69, of Lawrenceville, passed away peacefully on January 2, 2025. A Georgia native, Mike never met a stranger—whether it was workers at the grocery

store, staff at local restaurants, or someone standing next to him in line at an event. He

was a rabid Georgia Bulldogs fan and a faithful Braves follower. Mike never let a day pass without watching The Andy Griffith Show, laughing at each episode as if he were seeing it for the very first time. He also enjoyed

watching sports and going on hunting and fishing trips with his friends, all of whom he loved fiercely. His family was his whole heart, and he shared his unconditional love with them every day. He loved grilling and cooking big meals for anyone who wanted to indulge. His big, cheerful laugh filled every room and spilled outdoors, where it could be heard for miles. Mike will be

deeply missed by all who knew him. He is survived by his wife of 41 years, Nanci Allen; his daughter, Nicole Allen of Lawrenceville (whom he always

called Coley); his son, Michael Allen Jr. of Gainesville; his precious granddaughter, Lakelynd Allen of Gainesville—affectionately known as

“Squishy”; and many beloved nieces and nephews. In lieu of flowers, please perform an act of kindness in his memory. Arrangements made by Tim

“ I am deeply saddened by the passing of my Uncle Mike. As a child, some of my fondest memories were Sunday afternoons at Grandmother Allen’s house—days I looked forward to all week because it meant time with Mike. We would play for hours, laugh endlessly, and simply enjoy being together.

Mike wasn’t just my uncle; he was one of my best friends growing up. We shared a bond that carried us through childhood, our teenage years, and beyond. Even as life changed, that closeness remained, and those memories have stayed with me all these years.

My greatest regret is not having the chance to say goodbye. But I take comfort in knowing how much love, laughter, and friendship we shared. Mike will always hold a special place in my heart, and I will forever be grateful for the time we had together.

You are deeply missed, Uncle Mike, and you will never be forgotten.

“ Don't remember the date but Mike, Galen and I were camping at Bobby Brown S.P. and were fishing just below Russell Dam overnight and had a great time. Campfire BBQ and a spiked watermelon that Mike insisted I put more liquor in it. He was right it needed more.

“ Mike is (I can't write was) the sweetest and most gregarious man I've ever known, and the devoted husband of one of my closest friends in my teen years. I recall his Super Bowl parties with loads of fun and his BBQ. At any given time Mike makes you feel like you're the most important person in the world. Always smiling, always laughing. Lost touch as we tended to our respective families, something i will regret. But I have memories, and I expect like his family these will always bring smiles. RIP Mike. I hope to see you again.

I will sure miss Mike. Oddly enough we met initially in the mid 90's when our kids were small and in Gwinnett County youth soccer. We had lots of good times then, and in 2001 I moved to Louisiana for a new job. We always kept in touch though, and got together whenever we could, most recently when my brother passed away in Jan 2025 who also lived in Gwinnett. We were planning a swamp trip this year. My dearest condolences to Nancy, Mike and Nicole... Doug Luther; Walker, LA
