“ *Dearest Cope family, I was just informed of Michael's passing and I am devastated for you and your family. Michael was part of my first class of high schoolers when I moved to Grayson HS. He was in my 4th period gifted/honors US History class. Michael was a brilliant student. While quiet in class, he enjoyed learning about history and was such a kind soul to both myself and his classmates. I will forever remember him and the impact he had on me. May your family be surrounded by comfort and memories of Michael forever.*

*Sincerely,
Holley Roberts*
