“ Our condolences to Bob and his family at this time. Although we never met Mike, if his son is any kind of example of the man he was, he must have been a good man. We pray for strength and peace for you during these difficult times. Our thoughts are with you. Love from Canada.

“ I knew Mike as a fellow General Manager at Newcomb Spring. He was one of those rare outgoing, generous, and good-natured people one meets in life.

I learned a lot from Mike, not the least of which was not to bet against him on the golf course, regardless of handicap. Sad to hear of his passing. He did live life in full while he was able. May he rest in peace.

“ I first met Mr. Buice early in 2024 at a medical office. I treated him for about a year and a half. He quickly asked me to call him Mike. Mike was no nonsense but fair and extremely motivated to get better and do better. I really enjoyed our appointments. I really hate that I wasn't able to say goodbye to him. Rest easy Mike and God bless.

“ Buice family, my condolences to you. I met Mike at Honey Creek Country Club years ago and played golf with him. We shared the same back ground, both United States Marines. I stayed in touch with Mike throughout the years and would see him at George Walton Academy during sporting events. An exceptional golfer and competitor. Rest in peace Brother.
