“ *Prior to becoming Gwinnett County Fire Station 12, it was The City of Snellville Fire Department and at that time was part-career/part-volunteer firefighters. Mike was a dedicated volunteer with us from 1973-1980. During that time he was also an experienced career firefighter and Driver Engineer with Dekalb County. I learned a lot from him but really remember most of all for his great entertaining stories. I lost touch with him over the years and am sorry to hear of his passing. My condolences to his family and loved ones.*

“ Mike was my lieutenant when I started with DeKalb County Fire in 1988 he was so much fun to work with and always kept us entertained at station 20 also known at the time as the animal house located on Candler Rd . The crew loved Tuck. He was so funny but a very dedicated fireman that helped a lot of people throughout the years. Our brother firefighter will be missed dearly. My thoughts and prayers are with the family, Ray Pilgrim

“ I didn't know Mike all that well (he graduated from high school a few years ahead of me), but i did have a time or two of interactions with him. The refreshing after math of dealing with him was that there was NO doubt what he thought, he let ya know.

the loss of a piece of the family puzzle can't be replaced,....but will be remembered.

“ *The Tucker Family lived behind us and I will never forget when they set the house on fire while his parents were at work. It did not do that much damage but I am sure they got in a lot of trouble when his parents got home.*
