“ I'm up late at night and just finished watching Titanic. The music gets me every time. I thought we had lost this tribute of you. I'm glad we found it and the post are here yet still hard to read over again.

We are now approaching the 8yrs that you have went home. As my previous post, time does help ease the pain but surely it does not heal the pain. You just don't know how much I wish you were here with us. A ton of things have happened - "Life Happen"!

Blake is now 22yrs old - no longer attending Macon State. He and Lindsey split up. He has a fulltime job. He currently is living with me and Cas. It's been going great! We have great conversations about you and Blake. Cas really enjoys hearing the stories!

Josh is now 19yrs old - he is living in Valdosta and hoping to begin school in August. You would be very proud of him - he flew without evening knowing how to fly! He is struggles but is figuring it out with a little support from me.

Cas is now 9 - soon to be 10 in about 2mths. WOW! My eyes full of tears! "We did it" - I remember how we use to talk about the boys turning 10 when they were like 1yrs old. Here I am faced with a beautiful 10yr old, who I must say reminds me that "we" all are now in double digits. She is wonderful and full of life. Thank you for giving me such a caring and loving daughter. She takes good care of me, just like you did!

I am one blessed mother because of you! We have wonderful kids. You would be so proud of each of them!! They each give me life everyday!

We Love You and Miss You more everyday! God Bless You your soul!

Rest Peacefully!

Love Always,

Wendi, Blake, Josh, and Cassidy

“ *It's a stormy day and your presence is felt near me. I can't believe it's close to 6yrs that you passed away. I've made great steps in moving forward this past year in a half. I have a friend that I feel believes in me and has given me a chance to continue on with life. (work that is)*

*My heart still aches but time has helped healed my sorrow and disbelief.*

*Cas has now completed 2nd grade! She is a handful and has many stories she still shares about you!*

*Josh has completed 11th grade and will be graduating next fall! "We did it"!! - many memories to get us all to this moment!*

*Blake is doing very well for himself - he got engaged this past Dec to a wonderful girl "Lindsay Filson"! He has become a man with strong values and love for his new life. You would be so proud of him.*

*(I only wish he stayed in college and played baseball)*

*We all miss you dearly - Love, Peace, Happiness and your memories shall always keep us together! Love Always!###imported-begin###Wendi Zierden###imported-end##*

“ *Merry Christmas to our angel in heaven!*

*We think of you often and during these times more often than during the ordinary day. It has been a true blessing this year - our excitement was more meaningful this year than years past. The boys were in the spirit and Cass's excitement of experiencing "santa" was wonderful to hear and see.*

*Your love for our family is greatly missed but is still appreciated for the times we had to share it with you.*

*This Christmas, I am thankful for all we had and shared. The memories we made are remembered and shared with the kids.*

*Thinking of you now at this moment and wishing you were here with us on this lovely Christmas day - rest peacefully!*

*Love Always! Merry Christmas!##imported-begin##Wendi##imported-end##*

“ Yet another year has come and gone! Today marks 4yrs in counting. Not exactly what to write at this moment. You are forever in our hearts, in every thought as each goes by. Time does heal but only through God will we ever be healed. You have been missed by us and so many of your friends. Cass woke asking to see you in "real" person one more time. She loves you much and has the best memory of always jumping on your belly! See honey - your belly made her happy! lol. Blake has moved on to college and I know you would so proud of him. Josh - lil man Josh has matured so much and misses you dearly. Your memories live deep within our hearts and will forever do so. We give thanks to God above for the memories to last this long. You will be our guardian angel forever and will always have a place in each of our hearts. God rest your soul and send a sign of your presence. Love Always, Wendi, Blake, Josh, Cass###imported-begin##Wendi Zierten###imported-end##

“ Aug 30th 2010 was 3yrs that we said our farewell. As for the last years - we all gathered together to remember you. Tears were shared along with a few laughs. You are gone but definitely not forgotten. We have pivotal moments for 2010 - 2011 Blake will be graduating; Josh is a Freshman; Cassidy is a kindergartner. We had talked about this year for a long time. It is now here and very lonely to say the least. But, you get the best seat - you get see everything from high above. Time is slowly healing our sorrow - Faith is giving us strength - God is always guiding us each step of the way!

Thank you for being our angel and watching us. You are truly missed and we all Love you!###imported-begin##Wendi###imported-end##

The 2nd year was a struggle - trying to understand why the same feelings felt so much stronger than the first year. With our faith in God, family, and friends we were able to keep making positive strides. We all truly miss you and not a day goes by that we all wish you here on earth with us. “ It's the beginning our 2nd year of missing you. The kids and I think about you daily and hourly! We continue to make great strides in our faith to keep you alive in our hearts. Don't ever think for one moment you have been forgotton. We miss you so very much. I will do my best to keep your spirit alive within each of us. As you know Cassidy talks about you everyday and trys to comprehend the difference btwn life and death. Blake is continually making jokes- which is his way of keeping you close to his heart. Josh is very to himself when it comes to you. But will talk a lot about you. Bottom line is you are truly missed and its a struggle without you. Be our angel and keep us close under your wings! “ I knew Mike from my days at the RTG Outlet. When I think back on  
those days, Mike's face and positive attitude always comes forward  
in my mind and will always put a smile on my face. He was always  
quick with a smile or a joke that made spending the day there a  
happier experience for all. I told him once that he had a way of  
saying "Madam." to lady customers that reminded me of how John  
Wayne use to say that line in his movies. He got a laugh out of that.  
If I knew he was near by, I would try and imitate him when I would  
greet a lady customer which of course would get him laughing  
again. I still do that to this day and think of Mike every time. We fell  
out of touch as people do when they move on to new jobs but I  
believe our personalities are a collection of the people we meet  
during our travels here on Earth and I am glad that Mike is apart of  
mine. My prayers are with you and your family.... –Alan Horne.

“ I am just hearing of this. I am so sorry. My heart aches at what an unusually caring and happy heart this world has lost. Wendi and the kids were all he lived for when I worked with him at RTG. He was the age of my oldest son, so it meant a lot to hear him speak so proudly of his parents. I will mourn for him. I will pray for the ones he loved most, and I know them well through him, so I know how they must hurt. Know what a great guy you raised. Know that no one ever loved his kids and his wife more than Mikey did. Know how many lives he touched. I am just so sad to hear this.##imported-begin##Marcia Duncan##imported-end##

He has really touched me in a positive way from the times of cooking for us in the Service Center to always being available to help us get to where we need to go on the freeways and always talking to me when I am trying to get Wendi in a very positive voice and attitude. I too love Mike very much and look forward to seeing him again.

“ Wendi and kids, I cannot even come close to imaging what you are going through - the shock of losing Mike, missing him and wondering how you will go on without him. We have thought of you so much in the last few days and have prayed (and continue to pray) that God will make Himself real to you during this difficult time. As hard as it may seem, try to remember that you can do all things through Christ who strengthens you. I live by this verse. When I'm confused and do not understanding why I'm going through something and I get to a point that I'm not sure I can get through it - this verse always seems to get me through. If there is ANYTHING that we can do to help, please let us know. You have my email address and our home phone is 770-962-0464. Our hearts go out to you. “ DEAR ZIERTEN FAMILY,

MY HEART WAS SADDENED TO HEAR OF THIS HORRIBLE TRAGEDY YESTERDAY. I AM SO SORRY. I CAN NOT IMAGINE HOW MUCH HE WILL BE MISSED. YOU ARE IN MY EVERY THOUGHT AND I WILL BE PRAYING FOR YOUR FAMILY AS YOU FACE THE DAYS AHEAD OF YOU. YOU ARE A VERY SWEET AND LOVING FAMILY AND I KNOW THAT TOGETHER YOU GUYS CAN GET THROUGH THIS. DON'T HESITATE TO RELY ON THE FRIENDS WHO LOVE TO HELP YOU THROUGH THIS TIME. SO MANY WANT TO HELP YOU.
