“ Never knew Mike in real life we met online playing a game a while ago. It is said it not how you win or loose but how you play the game, and Mike played the game well. It is evident by the many of us that have come to pay our respects to him, that Mike was respected and will be missed.

Through our many conversations, I had a chance to know him. and he was a good guy. I know enjoyed hunting, and weight lifting; was good humored, and breed dogs. Most importantly he Loved his family very much.##imported-begin##Bob Gore##imported-end##

“ Suzanne, we could never tell you how sorry we are to lose Mike. He was definitely his own unique person! Always there to help, no matter what you asked, and was such a blessing. We have been privileged to know him and his family for 10 yrs!  
You have been blessed to have him as your husband, and Kaylyn and Jay, as their father! His love for all of you was so evident, you were first in his heart!!!  
And, as far as crewing goes, there will never ever be another Mike! He was the Champion!!!  
I know these days are so hard, but just remember from whom your strength comes from, only our Lord can provide the courage, strength, and mercy to see all of you through it.  
Our prayers are with you, and may God grant you everything you need in abundance, today, tomorrow and all the days thereafter!  
And, as we're just a phone call away, He's only a prayer, just one word away!!!  
Love to your and the family!###imported-begin##Charlie and Elaine Loucks###imported-end##
