“ *As a Catholic I'm sure Mike was familiar with the 'Our Father Prayer' where Jesus taught us to pray for "God's will to be done on earth." And it is not God's will that families suffer the loss of losing a loved one in death. Soon God will reunite families by means of the resurrection spoken of by Jesus at John 5:28,29 and 6:40. I hope the family finds comfort in reading these text.##imported-begin##C Phillips##imported-end##*

“ I’ve known Mike at Colonial Pipeline Company since 1990. I always knew him as a very intelligent software developer and lead IT architect. He was extremely focused on meeting the needs of his customers not only in the various business units of the company, but outside the company to our shipper community. He was the one person in our group who had an in-depth knowledge of every one of our core business systems and could thus solve problems to help his customers very quickly. I always remember how special his nieces/nephews were to him, with office visits, pictures, and talking about them. He was a very soft spoken and kind hearted person and will be missed by all. I pray that God will grant the Harof family peace and hope in the memory of Mike’s love.##imported-begin##Dean Darsey##imported-end##
