“ How do I sign a book for someone that I Loved and liked so much? Where do I start? I'm deeply saddened, and my heart goes out to his family. I do want you to know that he filled me in on his family occasionally. He was so proud when Stephen helped with the roof in Winder. And excited about becoming a Grandpa, mom's new car and stories about Tami. He talked about you all and loved you. He always made me laugh and I will miss him dearly. Called -Bob Miller-I was crying and at the end of the conversation he reminded me of all the fun and crazy things we did together and again I found myself laughing. Bob Miller sends his condolences and somehow we know Mike's body no longer needs healed. We will miss our friend dearly and remember him always. To all the good times we had--Love always
