“ *Hi dad, I love you and I think about you everyday. I miss you.*

“ *The other day was his birthday. It is so sad to think he is no longer with us. We will always remember the way you made us laugh. Mickey, Michael, Mike or whatever you called him, the main thing is we all called him friend. I remember how one time a young girl was dying and he stood up for her when others were making her feel bad. He was that kind of guy. Shame those Star Trek people he talked about online giving him a hard time. I am sure he is with all his friends who went up to heaven including the girl he protected name Anna Maria.*

Happy Birthday. Hope you had a good one up there.##imported-begin##Rembering His Birthday##imported-end##

“ You just couldn't help but love Mike. His warmth was evident and he shared it with everyone. I was looking forward to getting to know him much better through the years, as he was so close to my husband Erich. I mourn this awful loss for us, but more so for his family. You're all in our hearts and our thoughts... and that's where we'll keep our memories of Mike, too.##imported-begin##Kat Pace##imported-end##
