“ Brittany and Becki,

I will always be here for you both, even if it's just for a hug. I will always keep you in my prayers so God can help you both heal. You are both my sisters girls and I know that you are strong, and you are fighters just like her.

What ever, when ever, I am here!!

“ MY FIRST FRIEND

Michele you were my first friend.

As young girls our lives took a few twists and turns, but we always had each other.

As we grew into young adults our lives took different paths but the love between us never died.

Now one knows why you chose to leave us at this time.

But I know one thing that our Daddy, whom also left us too soon, will be there to help you cross over into God's light.

Please wait for me, so that we can run and play together like we did when we were young---because you were my first friend and our love will never die.

Love Always,

Your sister Renee##imported-begin##*Renee Lott*##imported-end##

“ To all who loved Michelle,
There are no words to really comfort you during this sad, sad time. Know that many are thinking and praying for you all. Somewhere I heard or read that the stars were holes in Heaven where our loved one's love shines through to let us know they're happy. If that is so, then every night when you look up and see the stars shining - just think that your Mom, your Daughter, your Love, your Friend is sending you a silent message to let you know she's safe and happy and has all eternity to await the joyous reunion when each of us makes that final journey to our eternal, Heavenly Home. Love to you all!! And many thanks to all who have supported and comforted Michelle's loved ones in this time of sorrow! “ Enjoy Heaven dear Michelle, you deserve it! You worked hard here on this earth and obviously touched many, many lives. Whatever lessons of the spirit you were sent here to teach - you must have finished them so God called you home to rest. Until we get to join you and all those we love who have gone on ahead, we will take you with us in our hearts and memories.

Much love and sadness from Uncle Lennie, Auntie Katie, Cousins Angel & Jason & Lori and Family###imported-begin##Katie Tymofichuk###imported-end##

“ *When I Must Leave You*

*When I must leave you for a little while
Please do not grieve and shed wild tears
And hug your sorrow to you through the years
But start out bravely with a gallant smile
And for my sake and in my name
Live on and do all the things the same
words never seem to come out right from those giving their words of
sympathy to those who are receiving those words of sympathy, so I
found this poem that I thought Michele Broughton would want all of
those who touched her life to read.....*

*Feed not your loneliness on empty days
But fill each waking hour in useful ways
Reach out your hand in comfort and cheer
And in turn I will comfort you
And hold you near
And never, never be afraid to die
For I am waiting for you in the sky.##imported-begin##Jenny
