“ *I haven't seen Mickey in many years but he was someone I enjoyed working with as a young engineer at AGL many years ago. Always helpful and very knowledge. Rest in Peace Mickey.*

“ *Although we went our separate ways I have some really good memories, especially from our weekends at the lake on the boat. We shared a wonderful son agree together, and our sweet beautiful granddaughter Destiny. Rest In Peace Mickey, and give Greg a great big hug for me.*

“ *Gave me my first job in gas 33 years ago and still the best supervisor I have had. Mickey started at the bottom and worked his way up. If he gave you a job he knew exactly what it would take and if you were right he always had your back. Probably took a lot of great for it but will always have my thanks and appreciation for all he taught me.*

“ We had so many good times at AGL I can't choose just one. After AGL I was his insurance agent. You were always sweet and had a smile on your face.
