“ To My Beautiful Princess Mikayla, You were the daughter I always dreamed of having! You were perfect in every way! All of God's greatest gifts were wrapped up in you! From the moment that I felt you growing and moving inside, till the last moment I touched your face I loved you with every fiber of my being. It's been almost 4 months since you went to be with Jesus, but I can still hear your most precious words, saying, "Mommy, I Luv you." Thank you for blessing my life with yours. Thank you for being my beautiful little girl...my little angel. God gave me the honor of being your mother and I will never stop loving you or dreaming of the day that we will be united in heaven for all of eternity.

*You are my precious little angel, my princess and I love you more than words could ever express.*

*With ever lasting love, your mommy,

“ To my Dearest Princess Kayla, I love you with an everlasting love and you have graced our lives with such richness , it could have only come from God. You are truly and Angel and I know you are watching over your brother and us because that's what Angels do. You are not with us in body but your presence fills my heart even during these sad and dark days.I would never be able to forget the ways you said to me "Daddy , I luv you" Thank you for such beautiful words and that angelic smile and all the hugs and kisses you shared with me. You have inspired me to love and love and love and I will make sure that your message is propagated for the rest of my life. May your spirit help to keep me strong and enduring because you are the best thing that ever happened to me the very first time I ever saw your face. There is nothing better than hearing from your little girl that she loves you and that does not minimize the voice of your brother making the same sentiment.As a father I am very proud and graced to hear those innocent and sincere words.I love you and will do that until I breathe my last breath.Keep that smile and allow me to keep it also.

Your Father,  
Always in love with you.

“ My daughter may have been in Mikayla's class at some point either on Sun or Wed...even though Sabrina is 10 months older. When I heard about Mikayla, I wanted to be reminded of who she is, and when I saw her picture on this page, I just cried and cried. As a mother of someone so young, I feel for you and cannot imagine this happening. The only thing that might be of comfort is that God does have a plan for each life, and He sees the big picture way beyond what we see. Put your trust and your grieving heart in the hand of the Almighty God that loves His children dearly! I will be thinking of you, your family, and Mikayla each time we go to preschool at church; she will not be forgotten!!!##imported-begin##Bethany Belt##imported-end##

“ I am praying for you and your family during this difficult time. I pray that God will shower you with His peace, love and comfort. I will never forget her beautiful face. I had the pleasure of spending time with her while volunteering in preschool 3 weeks ago and watching her grow up over the times we met in the nursing room. She will be missed. May God be with you all.##imported-begin##Kimberly Williams (FBA Member)##imported-end##

“ I am one of Mikayla's preschool teachers at FBA. I loved her so much. She was special in every way - beautiful, calm and never gave us one moment of trouble. I will miss seeing her on Sunday mornings, as she and mom Cheryl were usually the first to arrive. Jason and Stephen will miss her too. Til we meet again in heaven, Karen Davis.##imported-begin##Karen Davis##imported-end##
