“ *I was shocked to hear of Mikes passing. I just recently spoke with him , he was bragging on his girls. He was so proud of them. Mike was such a good friend to me. He would have done anything for his friends. He had a heart of Gold. He was always positive and friendly and a very hard worker. He loved his family as well.*

I will truly miss my friend.

My deepest condolences to his wife and family,

“ *I was surprised and very saddened to hear about Mike's passing. It has been well over 35 years since I last saw Mike. I remember when we were kids he was the only guy in the world who could pop a wheelie on a bicycle and ride on one wheel non stop for over a hundred plus feet. One day while riding a wheelie his front wheel fell off. As you can imagine it did not go well but he survived. We repaired his busted head and wheel and he was back on the bike fearless as ever. Farewell Mike. It was great to know you and experience a little life with you. Thomas Tatum*

“ Please accept my deepest sympathies for your loss; my prayers are with the entire Epps family. Such a wonderful and funny man! There was never a dull moment with Mike. While working along with him he made the office blast with laughter. He could make a joke out of anything! Mike, a one of a kind type of guy with a smile and laugh that matched him perfectly. He will be truly missed. I pray the love of GOD enfolds you during this difficult time!

My condolences to the Epps family. I have never met Mike in person, but thru the years e-mailed/phoned each other after meeting on a outdoor hunting forum. He was a funny guy with a great slew of jokes/who always spoke with great pride and love regarding his wife and daughters, Eppe (as Mike was known on the forum) will be missed by many there who all send their condolences. Mike and I talked about a meet up some day, will still happen but in the future and the next life.

Eppe, gonna miss you brother, may the hunting /fishing be good and the sun on your back, Warchild

“ My sincerest condolences to Anita, the children, Mike's sister and parents. The Epps were neighbors of ours for many years in Tucker and Mike and I went to high school together. My brothers and I played together often in our neighborhood with Mike and other friends, Billy, Leo, Kim and Layne. We were like a pack, always hanging out with each other and having great, silly fun, especially when Mike was around. He had a gift for gab and humor like no one I've ever met. He never met a stranger. I've never seen Mike angry before either. I'm glad we kept in touch all these years, and I will miss him greatly.
