“ *Jackie and Bobby, I am so sorry to hear about Michael. Your video made me so sad but so happy to see the photos. He always made me laugh so hard. Jackie, do you remember "BIG JOHN", BIG BAD JOHN?? We would sing this and squat down and up to the beat of the music and act out the song. I can remember it like it was yesterday. We had so may fun times when we were young and I will never forget them. It's so sad how families don't stay in touch but we all know we love each other. My thoughts and prayers are with you. Love, Susan###imported-begin##Susan Haney###imported-end##*
