“ I want to express my sincere condolences to your family. I know how tough a time the sudden passing of a loved one can be. My wife and I just returned from Louisiana, where we had the funeral for her father. He also passed suddenly. I was responsible for the trailer drivers at work, and Mike was one of my very dependable ones. It was a pleasure to see him every morning. He was always upbeat, and joked with all the other drivers. He always had a smile and a good word for everyone he spoke to.

Every day at work has a routine, and Mike was part of ours. He would clock in, joke with us all, go get his truck and pull it up to the shop, air some tires, and then come back in and buy his two diet sodas for the day. The loss is felt by all of us here at work. Mike will surely be missed by each of us.
