“ *To Penny P and family: It was such a sweet and honorable service. I could tell Mike was such a great family man as the preacher said. I mean, the love and way Mike's children and gr'children acted told the story! And, of course, sweet Cuz, the way you handled things showed not only your love and admiration for Mike, your faith in our Lord stood out. You let everyone know that this is not the end for you and Mike! Sometimes it's not our actions but our "reaction" to life that tells our convictions. Who knows what person out there can look at this and be touched - even find the Lord. I know you have touched me!*

Love and prayers to all of you.

“ My condolences to Mike's family for their loss. I grew up down the street from the Paden's and spent many hours at their house playing with my best friend Mary Lynn. I remember Mike tossing the football with me-- it didn't get much better for a 10 y.o. than playing catch with the Black Knights' QB. Mike's parents and sisters were very kind to me. I still remember Mrs. Paden making the birthday cake for me. May the Lord provide Mike's family with peace and comfort.##imported-begin##Joe Seagle##imported-end##
