“ *Steve..... I just found out today about Cathy. My prayers are with you and your family. As you know God will give you strength, comfort and peace. Losing our spouse leaves such a void that stays there forever....but we have the promise that one day we will reunite with them.....what a blessing! Cathy was such a sweet, loving lady ... always such a beautiful smile. May God wrap his arms around you... and I remember your dad telling me after my dad died..... just look up and trust God!*

“ *Cathy and I worked together at the Board of Ed for several years and she made my job easier and much less stressful. There wasn't much Cathy couldn't do. Not only was she great with technology, but she was also proficient with shorthand. Cathy was a true gem. She loved her family and enjoyed spending time with them. Cathy will truly be missed. My deepest sympathy to Steve and the family.*
