“ *I loved working with sweet Mildred at Joan Glancy Hospital back in the '80s. She loved her family and spoke of many of you frequently. Sending prayers your way.* 🙏❤️

“ *Mildred was such a wonderful and funny lady. Our family (Kelley and Ruby Nelson) adored her and Morris. The many travels and gatherings were full of joy and laughter. Life will be a little less bright without "Mother Mill" around. Sending our love across the miles to her dear family.*

“*Dear Keith and James - I am so saddened by Mildred's death. She really was like a 2nd mother to me when I was growing up. I remember so many afternoons of she and mother having coffee when I came home from school and I always butted in to their conversations and "Mother Mil" always defended my being nose. One of my fondest memories of she and Morris visiting is when I picked out a broken down table at a flee market. Morris couldn't believe I was buying it, but they bought it for me (\$15.00). I refinished it and it is still in my mountain house. My deepest sympathies to you and the rest of your family. Mildred will always live on in my heart. Love, Debra Nelson Rogers*

Think you for the memories. Mama always talked about that trip to Colorado and laughed. The flowers were so special. They arrived and mama remembered you and David.
