“ *Mom and I, along with the rest of the Crafts, send our love to all of you. We remember your family so fondly from all the years at church. Mom and I also remember such good visits with your mom at the bridge. She always seemed to know Mom and enjoy talking about the good old days at church. Those were fond memories for both of them.*

I know this has been a trying, long road for all if you. Please know that your mother is finally truly at peace now, and that you were always there for her.
