“ Milton and I lived in the same area of Snellville growing up and rode the same bus for a number of years. We were in the same grade and graduated together in 1969. He was at our 50 year reunion last month. He and I never talked much in school - I was too shy and I think he was, too - but the few times we did, he was always exceptionally nice. I'm sure he was the same as an adult. Prayers for the family. He will always be with you.
