I realize y'all don't know me but I grew up with Jane in the 1960s. We used to pick cotton together in Owens Cross Roads Alabama. We used to spend the night with each other. We were very good friends but I lost contact with her around 1969 when my husband and I moved to Michigan and were there 11 years. I haven't been able to get in contact with her until I saw her on Facebook. I've talked to her brother Otis which he only lives about two miles from me and I didn't even know that she had been sick. I just wanted to tell you all that she was a very good friend to me I am very sorry to hear about her passing. I pray for each one of you that God will comfort you in the coming days weeks and months ahead God bless you
