“ Danny,
So sorry to hear of the passing of your mother. She was a great lady and loved by all. I apologize for not being able to come during this time, but we were at the beach. Your visit when Mom died, meant the world to me, just knowing old friends remember you in times like this, was wonderful. May God give you the strength and peace in the days and weeks ahead to face each new day. Mothers are a very, very special part of our heart and their love has carried us through so much in our lifetime. May God bless and keep you and always know that you and your Mom hold special places in my heart. I will be praying for you and if I can ever do anything for you, please let me know.##imported-begin##Dianne Shelton Powell##imported-end##

“ I really only knew Minnie through interactions at the drug store, where I was her pharmacist, but what an impact she made on my life. It was always such a joy to look up and see her and Sue at the drivethru. She was truly a wonderful and sweet lady (and made the best pickled okra I ever tasted), and I will miss her so much. Praying that the family will feel God's love and peace during this time.##imported-begin##Glenn Cunningham##imported-end##
