“ *I am so sorry for your loss. The loss of a loved one is so heartbreaking, millions wonder why, and if it will ever end.? Gods word the bible tell us that, not only will death end, but sickness that lead to death will also come to an end. This is noted in Isaiah 33;24 and 25;8. Psalms 37:10,11,29, 39, and 72:7,8, te nus about the wonderful conditions that we will be surrounded by. I hope that the above scriptures will give you and your family some comfort and assured hope. If you have any questions or need for further comfort contact me at e-mail address.##imported-begin##FH##imported-end##*

“ I had the honor of working with Miriam at Pharr. Miriam will always hold a special place in my heart. She was such an inspiration and source of strength for me when I was going through chemo. She was there for me when I needed a "sister" to talk to. Eventhough she was going through her own tretments, she was worried about me. She drove all the way to Northside Hospital to sit with me during a treatment. We laughed at the fact that we were both bald. We shared wigs and hats, tears and smiles. I will miss her at Relay. I will think of her and remember the good times we had at Relay and how felt like royalty walking in the survivor lap. Rest in peace my dear friend.##imported-begin##Carla Basile##imported-end##

“ I just now found out about Miriam's passing and I am shocked because we had lost touch and I did not even know she was ill. What I do remember is Miriam being there with me when my daughter, Shelby, was born. She is now 17 so that was ages ago but I really appreciate Miriam doing that for me so Scott could stay home with Caleb if Shelby started to come in the night, which she did! I am saddened by this news and you guys are in my prayers. God bless,

“ I would like to extend my deepest sympathy to you Steve, and to your boys and the rest of the family. I know this is a most difficult time for you all as you mourn the loss of dear Miriam. Her wonderful laugh and God-given personality will surely be missed, along with her kind and loving ways. But just remember, Miriam is more alive today than she's ever been because she is present with the Lord. If Miriam could speak to you from Heaven, perhaps she would say this - "do not grieve for me because I'm very much alive now and in perfect peace. There's no pain or sickness here. This is where the real living takes place, not down there on earth." And maybe she would also say "don't let the devil rob you of your joy, let the joy of the Lord be your strength, trust in Jesus alone for your salvation, and I will see you again." And lastly, Miriam would say "I love you all so much and look forward to a heavenly reunion and I thank the Lord for blessing me with the best husband and children on earth." Hold tightly to your wonderful memories, for they are now your treasures. Praying for God's peace and comfort to be with you in the days to come.##imported-begin##Nan Eberhart##imported-end##

“ Miriam and I met when we were in 10th grade and became fast friends! Best friends! We were the M & M"s! We lost contact after getting married and raising our children. In 2005 we found each other again and picked up right where we left off and I am so grateful for this. Miriam has always been such an inspiration in my life and her walk of faith has taught so many about how to trust in Jesus for their every need. And I know that right now she is dancing with the angels in heaven and praising her Lord! I will miss you my other "M" but will see you again soon! We are all so blessed to have had you in our lives.. To Steve and family my thoughts, prayers and love are with you all.....Marian##imported-begin##Marian Whitely##imported-end##
