“ Terry and Judy I am so very sorry to hear of Mrs. Molly's passing. When Brad and I first came to Zoar she and Morris greeted us like family. She was always there with a big hug and a big smile. My family adored her as well. My son- in- law will sure miss her cooking. My prayers to both of you but just think how happy she and Morris are in God's loving embrace.

“ Terry and Judy, I am so sorry for your immense loss. I loved your mom and dad and have fond memories of visiting their house throughout my childhood. At every Zoar event I attended, especially as an adult I sought them out, if I hadn't found them in the right amount of time, here came Ms.Molly looking for me to give me a hug. She always remembered my birthday and as a child that was a very special thing to me. It made me feel loved. Praying for God to give you the Grace to get through the coming days and comfort your hearts in the days after,
