“ *To the McKeller family I would like to say that it was an honor and a privilege for me to know Monica. She was a single mother who thought the sun rose and set in her son! As far as I know there was nothing she would not do for him. Daniel, she is waiting for you on the other side and you will see him someday. Make her proud and be the man she knew you could be. All of you have my condolences and sympathies and hope that the Lord gives you the strength you need to get through this valley!*

“ May God hold you very close as you grieve the loss of Monica. We are shocked and saddened by this sad news of her passing. We loved her very much and were always entertained by her fast wit and charm. She led our Bible study at one time at the Dacula United Methodist church. It was from the book *the Purpose Driven Life* by Rick Warren. She was great as our leader and I will never forget the effort it took from her to get there and lead us after a long work day. She became a friend for life and although we now live in Alabama we will never forget her. She loved her family dearly and Daniel was the light of her life. All day I have been thinking of her with God and the joy she must be experiencing. God bless you all. We would love to be there today with you. Blessings, Nat and Dorothy Sanches

“ *In this time of incomprehensible pain and grief I pray for the McKellar family. There are no words to describe how wonderful of a soul my dear Monica was. Our friendship was one of the oldest I had the privilege to know. Miles came between us but it was safe always in our hearts and always will be in mine. I pray for peace in all of your heart in this time of grief and sorrow. God bless you all.*

“ I have been at such a loss for words the past several days. Monica worked with me and for me for the better part of the past almost 30 years. She was much more than an employee. She was my friend and I loved her. Our little office family will not be the same without her humor (she could word things like no one else), her music (if a song she liked came on the radio, she would turn it up to max volume right there in the office in the middle of the work day), her stories about what's going on with her (and her family especially Daniel) at the time and the love she so freely gave. It's been painful seeing her struggle with her health and trudge forward. So many of us would not have had her strength and tenacity. She's no longer with us physically but will remain in my heart forever until we meet again!

“ Hoye, Judy and Daniel, I am at a loss for words. I know there is  
nothing for me to say that will make your loss easier but know that I  
am sending you my love and support.

*Monica was a wonderful lady, fun to be around. I always enjoyed  
talking with her and treasure the times she went to Bunco with me. I  
enjoyed getting to know her through the years.*

*Daniel you are a wonderful young man and your mom loved you so  
much and she was very proud of you. We will be praying for you  
and your family. She will be watching over you and be with you  
always. You have a wonderful family that will be there for you, but if  
you ever need anything our family is there for you too.*

*Hoye and Judy if you need anything please do not hesitate to ask.  
We are praying for you both.*

*God bless you all and may he be with you during this time of need.*

*GUYS, what can one say at a time like this? Terry and Shay and Cameron here, Monica came to work for us when she was 18. Such a fun and kind kid. I've shed a few tears this week, I can tell you. She was loved, well thought of, and will be thought of often, /We are just so terribly saddened. Currently am in chemo therapy, battling cancer. I am so beat down mentally, that I just could not deal with a situation like this. It would just be too sad for me. When the dust settles, all us. Same home phone. We are thinking of you, Terry, Shay and Cam.*
