“ *I must share a very sweet story about Miss Muriel.....the first time she came into the Joy Sunday School class she asked my husband if she could sit next to him...Ron said, "Yes, but it will cost you a quarter." So, she hunted around in her purse until she found a quarter and gave it to him...and he took it. The following week she came in prepared with her quarter in hand and again he took it. This went on for several weeks until I saw the exchange and stopped him from taking her quarter each week. He loved her and they had this sweet little exchange going each Sunday a.m. laughing about it. Occasionally he would give her a call and she would call him often to reassure him that she was praying for him and his health....she was so special to us and we loved her. Our deepest sympathy to all her family....Our love & prayers, Ron & Jan Bushatz*

“ Mrs. Muriel will be missed by many neighbors here! She always made a point to say hello and make the children feel special when walking by. She was one of a kind, and we will miss her sweet, kind smile!

“ Mike, Steve, Phillip and Stuart, You and your families have my heart felt sympathy. I share your sorrow. My long friendship with your mom enriched my life in so many ways. I have many cherished memories of our times together in the children's ministry at Tucker Methodist and our visits in each others homes. My disabilities kept me from attending her service, but you are in my thoughts and prayers. "We grieve but not as those who have no hope." 1 Thes. 4:13. With love, Ethel Bay

“ I lived near Muriel 4 years and visited her often. She would give me jellies or preserves she made. I also knew her at Briarlake. She loved to tell me about growing up with our pastor there, Hoffman Harris. May God bless the family.

“ Muriel was a member of the JOY Sunday School class when I became the teacher in late 2012. My wife Anniece and I were just two of the many Christians who immediately upon meeting her, called her 'friend.' Her outstanding character, sincerity, love of her fellow mankind, her gentleness, and her welcoming smile were quickly recognized and looked forward to upon every contact. Her love of our Lord and Savior, Jesus Christ was reflected in every conversation we ever had with her. She leaves a vacuum which will most probably never be replaced.

Please accept our heartfelt condolences. We will be in prayer that that strength which surpasses all understanding will support you as you work through your grief. May the grace of God be the sustaining factor.

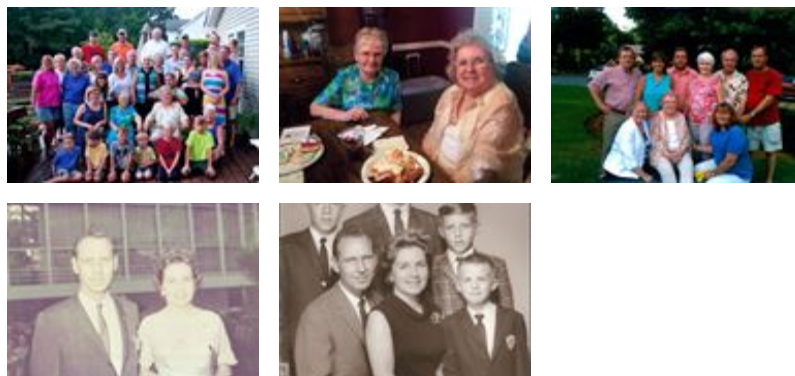

In Christian Love,

Marion and Anniece Robinson

“ To the Allen family:
Muriel was the sweetest neighbor we could have ever asked for. She loved my children and oh how they loved her. They would get so excited to see her. She was known to try to bring my trash and recycling bins up to my house while using her cane. That was Muriel. Always thinking about everyone else. We loved her dearly and will miss her sweet face. Praying for peace for the family. 💕💕

Mike, Steve, Phillip, and Stuart, I am so sorry I will not be there for the services this afternoon and tomorrow. I want you to know that I will be thinking of all of you and saying a prayer. Some of my favorite memories are of the time I spent in Atlanta with all of you. One story I tell often is of the morning I woke up to loud noises coming from the roof outside my room. I got up and looked out my window to see Horace sitting in a chair and talking to himself....so I thought. Turned out Muriel was up on the roofcleaning out the gutters! I have so many stories like that because they were so fun to stay with! I cherish every moment I had with them and the opportunity to get to know all of you and Donna, Patrica, Debbie, and Kathy . You were so blessed in the parent department and man did I enjoy my time with them! I laughed everyday and always felt like I was part of your family. I am kicking myself because I have been thinking about Muriel so much lately and meaning to give her a call to let her know I am going to be in Atlanta for a convention in October. I was looking forward to seeing her and all of you. God bless you all and Ms. Muriel, rest in peace and give Horace a hug for me. I love you all!

What a beautiful, loving, kind, godly woman. I feel honored to have had the pleasure of knowing her and talking with her. She truly was one in a million and I know without a doubt she is rejoicing in heaven today with our Savior. My thoughts and prayers are with her wonderful family. May God give you comfort and strength in the coming days ahead. Love you all.

I was so blessed to have Muriel as my neighbor for 10 years. She was truly one of the most wonderful people I have ever known. She and Horace made me feel welcome and looked after when I first moved near them (as a single female). Muriel lived her life in the most Christian way I could imagine. She touched me deeply and I will always love and miss her. I am so sorry for your loss.
