“ Tanya was a very thoughtful and kind person whom I met when I attended Atkins High School, everyone was new to me in the school except Elaine who attended with me from across town. Her achievements and work ethics are a testament to her service to her family and those who were blessed by her presence. I last saw her in Winston and her usual smiling face was a treasure to behold, always perfectly dressed and graceful. Her family has fond memories to cherish of their times with her and we are all better people because of the gift of her touching our lives! " Blessed are the meek, for they will inherit the earth." Matthew 5:5 Love, compassion, peace and continued healing to the family. Patricia Ford

“ I miss my dear friend and sister. I think of her daily - memories of our friendship will always be in my heart. She was a wonderful, kind, caring, and nurturing spirit, and I am forever changed by the gift of her presence. We shared laughter when life was fun and tears when it was painful. Always by my side to console, comfort, and advise me, I learned so much from her counsel. A true friend with whom I could share my most sincere wishes and my deepest hopes for my life, as she did also - knowing there was no judgment, only prayers for the best. What a blessing she was to me. She loved the Lord and that was expressed in how she lived and how she treated others. My heart breaks knowing her time with us is over, but I rejoice in knowing she rests peacefully with the Lord. She will never be forgotten. Love you "Sissy-Boo"

“ *Tanya had an outgoing, energetic and confident personality all through school and she never hesitated to express her feelings. I always admired those qualities in her. It's difficult to believe she's gone and she will never be forgotten. My condolences to the family. May she rest in peace.*

“ *Tanya. was a great person and friend. We went through Middle School and High School together. She has lots of friends who enjoyed her company. When we were together we laughed a lot. I will miss her warm welcome at our High School Reunions.*

“ There will never be another like Tanya! She was special to me to the core!! Her parents were mine too. We were childhood friends, classmates and she was my bridesmaid when I married 46 years ago. We were Best Friends. We never could hold a conversation under an hour, so the few get together as adults were days! We have never had a cross word with one another, no arguements without a burst of laughther, hugs and sometimes tears! We shared everything but this.... To Michael, Marques and her precious grandkids, Tanya adored you and loves you to her core. I am thankful for the happy times and all of our precious and priceless memories from elementary through college and beyond. Enjoy and cherish those of your own! She loved us for sure but she held closest to her heart, the finest, her legacy, YOU! May our Lord hold you, comfort you and give you strength in your days, hours, moments and times of need. I give to you my sincere condolences. God Bless you and may Heaven smile upon you today and until you see Tanya again. ~ With All of My Heart, I am Truly Yours, Yvonne Patterson King~

“ Tanya, words can't describe the feeling of loneliness I have since you are no longer here. We have known each other since kindergarten, we graduated from kindergarten together. You have been one of my longest lasting friend.
We have known each other 65 years, and those are years I can never forget.
Rest my friend, and sleep in Heavenly Peace!
