“ Myra was always so good to me. She was such an enormous source of support when my mom (her sister Zelma) passed away. She helped in more ways than I could list. We shared many laughs and good times over the years and I'm sure going to miss her. She never forgot my anniversary because it was exactly one week before hers. We would've shared the 25th next March.

My condolences to Charles and the rest of her family. She was a special lady.
