“ Linda and Melanie: Eddie was my friend. He and Daddy went back so many years and all the good laughs we shared. I respected Eddie to the fullest. I came by your house to see you and Melanie last week and you were gone to the funeral home to make arrangements. Please know that my prayers and thoughts have been with you during this great loss in your life. Eddie was always helping and shared kind words to me during the Petting Zoo when I really needed them the most. I always liked the way he carried around the little notebook so he could remember all his duties at the fairgrounds. My Daddy thought the world of him also so now they are up in heaven having a big time planning the big Fair up in God's world. I did not know that he was worse in his condition until I read that he had passed away. Linda, Eddie loved you with his whole heart and sole. You two were always so fun together and my memories will live on as that. Please hold those in your heart. I would have come to the funeral home, but it is still hard for me since Jill's death to go sometimes. Please forgive me for not giving you that well deserved hug of support, but know that you are in my thoughts.  
May God hold you in his arms and wrap you up tightly with precious memories and a strong tomorrow.
