“ I met Myrtle while attending Bethesda elementary school and knew her through high school at Central Gwinnett. I best remember the fun times we had at Sweetwater swimming pool. We were probably 14, 15 years old at the time. She laughed a lot and was fun to be around. While swimming at the pool we could take a break and listen to the juke box that was there. It was a laid back time in my youth and Myrtle made it that much better.

“ I met Ann while at Bethesda many years ago and reconnected on Facebook. Heaven has gained an angel. All that knew her were truly blessed. May God keep the family and friends in His comforting arms during this sad time.

“ *Ann and I became fast friends while she worked at a facility in Snellville. Additionally her daughter was/is a close friend so I got to spend ample time with her while traveling in her area. She was a most positive soul and one that left you felling better once coming in contact with her. Lee, Tete and Jerry thanks for sharing her in life and we will all mourn her passing with you. Much Love*
