“ *My dearest life-long friends:*

First of all, I want you all to know that I send my deepest sympathy to all of you. My heart breaks as your loss. But there is hope! Hope that we all can be united with her in eternity. Although we look at this as a tragedy, please realize that God Himself chose on this glorious day to bring her home...into His bosom. She must of been "extra special" to Him to enter her into the Kingdom of God on the very day that we celebrate Christ's birth. I wish I could be there....I want to be there. You all are a very special part of my life and I long to be there with you. God sent the Holy Ghost to be your comfort, so I speak peace to you in the name of Jesus Christ our Lord and Saviour. May the Holy Ghost blanket each of you in His loving care and comfort you all.

I love you!! Delores##imported-begin##Delores Mullen-Scuffham##imported-end##

“ *I was very sorry to hear of the passing. My Sister Annette told me this morning. I would have loved to been able to pay my respects in person but it was too late by the time I found out. My prayers are with each of you##imported-begin##Jane Haney Stephens##imported-end##*
