“ Granny,

*I know that I am who I am today because you prayed for me, I know you did. I was heading down the wrong road and your prayers were heard and now I am a Minister of the Gospel. I was gonna bring dad but he was unable to travel. You will be missed, I know ever time I called you thought I was Chris and then you knew it was me. You will be in the arms of the savior the one who died for us. There will be no more pain, tears or crying there. One day we will see you again.*

*Love your grandson,
