“ *Mama, you were truly a gift from God. A woman of so much Strength, Courage, Love, Grace, Dedication, and such a Devoted Mother. Our lives were so Blessed by your every being. Our hearts will be forever broken, but we have that hope and I know I will see you again someday. You being the mother that you were, I know you just went ahead to get everything ready for the rest of us. We love you so much !###imported-begin##Diann Briscoe##imported-end##*

“ *Dear Doster Family,  
I am sorry for the loss of Ms Mytle Runels Doster. She lived a long life. The Bible says that living for 70-80 years is indicative of 'special mightiness'. However, death, even after so many years, is still painful. God's original purpose was for mankind to live not 70 or 80 years but forever. And It promises a hope for those who have fallen asleep in death like Ms Doster. That promise is at John 5:28,29 which says "Do not marvel at this for the hour is coming in which all those in the memorial tombs will hear his (Jesus) voice and come out...". May you continue to have the support of friends and family.*

*Sincerely,*

“ *To The Family and Friends of Myrtle Doster:*

*First, I would like to send my condolences to each and every one of you. Although we are not acquainted with one another, we all know what it feels like to lose a loved one to the enemy death. I'm sure that some of you are overwhelmed with sadness and that only shows that death is unnatural. Death was never supposed to be a part of life.*

*Our Heavenly Father feels the pain that you are going through. He promises that the day is soon to come in which he will wipe the tears of sorrow from our eyes forever and death will be no more. (Revelation 21:3-5) He also promises that all those in the memorial tombs (graves) will hear his voice and come out. (John 5:28, 29)*

*Until his words are fulfilled may each of you continue to take comfort in him.##imported-begin##Lenette##imported-end##*
