“ *Nancy was cut from the cloth of "Mrs. C" -- a wonderful caring mother and the one of the best cooks Walton County has ever produced. I cherish the remembrances of Nancy and her continuing love for her "girls" and her grandchildren. God Bless her for the tremendous fight she fought against cancer. We will remember her smile and positive attitude forever!*

“ *Such good childhood memories when I would come all the way out to the country for weekend visits with my cousin, Nancy; or Nancy came to Atlanta for big city life! So glad we got back together this last year to share some more memories. She put her all into her fight against her illness. I was truly amazed by her strength. She was so proud and full of love for her family; we enjoyed "grandma times" to brag. And, she was fortunate to have a great-grand. She will truly be missed. I loved her so much. God has a precious angel who will continue to watch over her family. My prayers are with you all.*

“ We lost a very special person today but Heaven received a precious angel. My memories go back to our school days and you were my constant companion along with Sandra Swords. I am so happy the three of us reconnected and had several years to share our lives together right up to the end. My prayers go out to all the family and your friends. Goodbye my sweet and precious friend.
