“ *Nancy my dear, sweet friend. I'm so glad I met you many years ago! We shared so many good times, I will miss our 4 hour lunch dates over chips and salsa and great conversation. We often were asked if we were sisters and you always said we were sisters in Christ! You were my earth angel and now you have your wings. Thank you JM for sharing her with all of her gym family! Prayers for all her family, I will miss her so much!💖*

“ Nancy was one of a kind! She was a good friend to me at a time in my life when I needed one the most. She had a special way of bringing our gym family together and always could always make us laugh. Her boldness in Christ was inspiring. I'll never forget her! Rest in peace my friend ❤️

I met Nancy 8 years ago at Anytime Fitness Zumba class and we quickly became great friends! She was so full of life and welcoming to all she met. I will miss our 4 hour lunch dates over chips and salsa, all the laughs and all the fun we shared! We often were asked if we were sisters, and it sure felt like we were. She was my earth angel and now she has her wings! I will miss her so much! I love you Nancy💕
