“ *We are so sorry for the loss of your Mom and Dad, Evan. Nancy was one of the sweetest people we knew when you lived on Pine Tree in North Kingstown. You were young and may not remember us, but we lived just two houses up the street from you. Your Mom and Dad were the first ones on the scene when Joe fell off a ladder and were so caring and consoling. We had many good times with them as well. Both will be missed. Our thoughts and prayers are with you at this difficult time.*

“ We are so saddened to hear of the deaths of Nancy and her husband (whom we knew as Kent). We have many fond memories of time spent together when they lived on Pine Tree Circle here in North Kingstown, RI. Many happy moments having parties, sharing a meal, playing board games, and especially the fun of giving Nancy a baby shower when their beautiful son came into their lives to complete their joy. We tried to keep in touch when they moved to another neighborhood, but life intervenes with different priorities and different schedules, and later we heard that they had returned to their beloved south; where they surely made new and wonderful memories too! Our deepest sympathy and heartfelt condolences go out to all friends and family members in this tragic loss.

“ Nancy...always such a delight to be around. She loved to have conversations about anything and everything even though we were practically strangers when I first met her. She was an amazing, strong and beautiful woman. I was blessed to be able to take care of her. Peace be with you Ms. Chalmers ~ Ashley R.

“ I met Nancy the first day of Nursing School in 1971, and stayed friends with her for the next 46 years. She was a true friend, loyal through thick and thin. I loved her sense of humor and her outlook on life. She met life's adversities with grace and a smile on her face. And never gave up! Her beauty was astonishing, both on the outside and on the inside.
She sent me a gift recently, an ornament, a dachshund with wings. How very fitting! I will hang it on my Christmas tree every year with love and remember my friend Nancy.
Condolences to Evan, Ann, Flea, Lynn and all of her friends in Atlanta. We all will miss her for the rest of our lives.

“ Just know that my thoughts and prayers are with the family. I have been checking on Nancy from time to time over the past year via email. What a strong lady she was. Never complained about what she was going through. Was always upbeat. She will be missed.

“ Nancy was an amazing Nurse and a great person inside and out. When I had surgery last May, Nancy was my OR Nurse and I felt so at ease. I am so sad for your loss Evan and I know your MOM loved you so much. I am so glad I had the pleasure of knowing her and working with her. She is the perfect role model for a fine lady and Nurse. “ I had the priviledge to take care of Nancy when she was receiving chemotherapy. She was a great patient and we had lots of talks, in between all her visitors. She was a wonderful lady and she will be trully missed. I am so glad I got to meet her.

“ *"If you weren't having surgery today what would you be doing?" Nancy would ask all her patients as she walked them into the Operating Room. She was the consummate nurse, taking wonderful care of all her patients. Recently she was talking to some friends and told us there was never anything she wanted to do but be a nurse....and what a wonderful, warm, caring and funny nurse she was! Evan, you have had your hands full, and I am so sorry for you. I have heard what a wonderful son you have been..your mom was so proud of you! Lynn, I met you in the hospital with Nancy and you have been a wonderful BFF-I can't imagine how much fun you and Nancy must have had! I am so sorry for your loss too. Evan, if you need anything, I am part of Nancy's other family at the Day Surgery- please let us know if you need anything. Your mom was loved by all!*
