“ *I am so sorry and shocked to just now hear this terrible news! Nancy and Alyce and I grew up together sharing many days riding horses and swimming at Pangborn pool. I will hold all of you in my prayers. Again I am so sorry!*

“ *I am sincerely sorry for the loss of this precious daughter and sister. Live in the good memories you made as a family while she was growing up and throughout her life here. I know she will be terribly missed and no one will ever fill her place. However, God, alone can give you peace and comfort .Prayers will be with your family for many days to come.*

“ *My earliest memory of Nancy is of a sweet and kind girl I met when I was a new student in an unfamiliar high school. She and her sister, Alyce, were among the most welcoming. I appreciated the care she showed me. I can still hear that little giggle she used to have. My deepest sympathy to you, Alyce, and your family. You are all in my thoughts and continued prayers.*
