“ *I am sorry to hear about your loss. I know your loved one meant a lot to you and few words can describe or take away that pain. It is a void that craves to be filled and on,y turning to God for strength and loving those around you tend to make it better. I take hope in Gods wonderful promise of a "standing up again" or resurrection that will allow to see them again. I hold on to that and keep enduring. May you be able to do the same 2 Cor. 6:4*
