“ *Nancy has been a wonderful friend to me for a very long time. I am heartbroken that she is no longer in this world and I will never ever forget what she means to me. To the family left behind, you were the center of her world and I am praying for you. Nancy was just a wonderful light and I will miss her shining in this world. I am so very sorry that this is the end of her time with us. I know she is hugging her daddy right now. Prayers going up for all of us.*

*Oh my heart! This dear gal was one in a billion. She never met a stranger. Always a beautiful smile! She was caring and always lending a hand or a shoulder to cry on... her giggle and wonderful humor always made my day! We shared a lot in common when it came to kindness, giving people the benefit of the doubt until made to believe differently. The love of animals, the gathering of loved ones, family and friends. She will be missed by many this I know. She was an amazing humble and loving gal. Rest in peace angel. My prayers go out to all of her family and friends.*
