“ *Nancy was my friend for more than 30 years that never failed to direct me when I called on her for help. She was so spontaneous with her advice and I will miss her counsel. God rest her precious soul.*

As Nancy's secretary in Blakely, I learned a great deal about how to run a Chamber and how to be a professional. She was that rare person who could do anything well. Kara and Ralph, I can't imagine what you all are going through now but I know that you will see her again in heaven. I am so, so sorry for your loss and pray that the Lord will be with you during this Christmas Season and beyond.
