ME

“ Dear Family of Nancy- her husband, Gary Michael Vaughn and son Jonathan and daughter -in-law Naomi- I am so very sorry that my message of sympathy is arriving so late and am so sorry to hear of your loss of dear wife and mother and mother-in- law. I am sending this note to you all from Calgary, Alberta in Canada to let you know that Nancy had many relatives including many in Canada. I was related to Nancy through her Grandmother and Grandfather who were Annabelle Lewis and Albert Rohday who lived in Great Falls Montana.... ..their daughter Flo Vera, married Robert Zoebeck and they lived in Chicago. Flo and Robert were Nancy's mother and father and she had a brother Robert. There is a very large family of relatives related to Nancy and I am sure that she knew of many of these relatives but it is very difficult to keep connected to a large scattered family. Aunt Annie, had two sisters, Aunt Emma and Aunt Jennie....my line is the Jennie Lewis line. I am sending this note in the hope that it reaches you all to let you know that Nancy is dearly missed by her large scattered family and we send you our love and most sincere Sympathy.
