She was the sweetest most caring lady to me. She was a dear friend and will be greatly missed. When we would chat she always talked about the Lord and He had her.

“ *Gerry and Nancy Wiseman have been close, personal friends to The Heirborn Quartet for many, many years. We are simply heartbroken to know that dear Nancy is no longer with us. She always supported us and loved us through it all. From the handmade table cloths we are still using for our product table every weekend to her special egg rolls and sour kraut & weenies that we have enjoyed eating many times, she loved using her talents to bring joy to others and that is certainly what she always brought to us! We love you, Nancy and we will see you soon. Heaven awaits!*

“ To Jerry and Family,
I am praying for you all! Nancy was a dear friend to my sister, Tammy, for so many years. Although I was only around her a few times, she was a sweet reflection of Christ. I'm so thankful the Lord blessed Tammy with such a sweet friend all these years. As we look for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ (Titus 2:13), we ask the God of all comfort to help you all in the days ahead as He promises to do. I will pray that the Celebration of her Homegoing tomorrow will bring much glory and honor to our dearest Savior.

“ *Nancy, I will miss you, your smile! I will hold dear to my heart the many memories of the last 25 years of good and tough times we shared together. Our phone calls, the road trips, baking, shopping, the fun and exhaustion from cooking, baking, and planning the weddings we did together. Thank you for your testimony, your love for God, your family, your beautiful grandchildren, and your friends. I am so blessed to have known you. I love you! Phillipians 1:3 I thank my God upon every remembrance of you.*

“ Where do I begin....

What an amazing friendship that I will cherish for ever. Nancy was closer than any sister could be. She had a heart of gold and loved her family and friends. We had so much in common and talked frequently. Our friendship grew over the last 3 plus years. She called me one day to let me know that she had a great name for the two of us. We were Ethel and Lucy...lol We enjoyed goofing off!! Many laughs and we liked the same things, had some of the same ideas, enjoyed the same foods. Enjoyed shopping and liked the same clothes and accessories.

Gerry, Nancy, and my husband Charles and myself made several road trips and had a blast playing cards and dominoes. We were called "side kicks" and always will be.

My dear Nancy, we love you and will miss you but we are so thankful of such wonderful memories and a promise of meeting again one day. What a joy that will be.
