“ I was Nancy's first grade teacher at Knight Elementary. I have retired from teaching and am living in FL. I read the Walton Tribune periodically and saw the obit about Nancy. She and her family will be in my prayers. I remember her as a cute, quiet child who was a joy to teach. I had talked to her several times before I retired. I taught at LMS for twenty-five years and banked at Wachovia. Please know that she and her family will continue to be in my prayers.

“ Betty: I was so sorry to hear about Nancy and sorry that I could not get to the services. Sue let all of us "old library mothers" know. I was thinking about Nancy a few weeks ago when I found something from the library with her handwriting on it. You and your family are in my thoughts and prayers.
