“ Hello, my name is Caroline Brown Larson.
My brother's grew up hanging out with
Nathan.

*I have fond memories of him hanging out in
our driveway talking about all kinds of stuff.*

*He was always so kind and respectful. He always treated my
parents with respect and that stood out to me. He will be greatly
missed by many.*

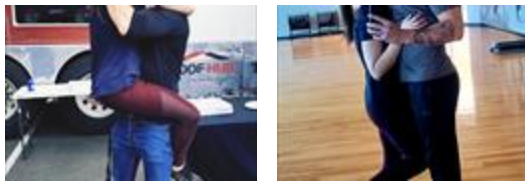

*I am so very sorry for your tragic loss. I lost one of my brother's a
little over a year ago. He was just shy of 26. I understand your grief.
It's a long road of healing. You are not alone. Praying for you all.
You will never get over what happened, but God will give you the
strength to get through it. Sending my deepest heart felt
condolences.*

“ Nathan was the light in the dark. He took the most shy timid girl and
showed her the world. I would have never climbed so many
mountains or gone on so many adventures if it weren't for him. He
showed me that I could do anything I set my mind to. He was
Unconditional Love and showed me how a woman should be
treated and loved. There will never be anyone that will shine as
bright as he did. I will love you forever and always
