“ *Marty, I will never forget you my brother from another mother. I will always remember my Senior Ball in 1964 that you took me to. Even though I was engaged and Phillip couldn't make home from the base at Camp Pendleton, you refused to allow me to miss my Senior Ball. I will always remember the many, many, many nights of playing canasta with the group.*

Your are and always will be missed and remembered from the east coast to the west coast in San Francisco and Pacifica, CA. You will always be in my heart and memories

“ *Rudy wanted me to send his condolences to the family. He worked with Marty at Muni. He has suffered a stroke and can no longer speak, and is also unable to respond very well to emails, but he understands everything, and is so sorry for the family's loss.##imported-begin##Rudolph and Millie Salanga##imported-end##*

“ From San Francisco, our deepest sympathy goes out to the Attaway Family.

Marty, you were a mentor to my father when you were Dispatcher and my dad was an operator. You have invited us to your home in Pacifica on many occasions.

You will be missed by our family, San Francisco Muni family. Rest in peace.
