“ To the family of Dr. Ned Gladstone:

*My heart is with you at this difficult time. I will pray for God to give you strength.*

*I first meet Dr. Gladstone when I came to Georgia back in the late 80's. I worked in the same shopping center where he had his office for so many years. He helped me with my back pain. He was the best Dr. and I will always be so grateful to him for the care he gave me. I was always greeted with a smile and Joan in the office! I was so surprised to find out that he has passed.*

*He used his talents for healing. He was a wonderful Doctor and a wonderful person. His smile will be greatly missed.*

*JOHN 3:16 "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life."*

*You have left this earth for a better place and will never be forgotten. You will live on in memories....*
