“ I am so sorry for your loss. I was very fond of Mr.Park as a teacher of mine in middle school. There were many funny moments in his class and he helped me to have a love of expressing my thoughts through writing. I had the prililage of living down the road from him and his family. Clara became a great childhood friend through the years. Mr. Park was a good man, father, and husband. I pray that you will strength and faith during your time of morning. “ I am so sorry to be taking so long in expressing how sorry we are to hear of Neil's passing. I am sorry that we are so far away, because it helps to have family close at a time like this. I am sure he is having a great reunion with the rest of the family and I always have to think their mother waited along time to be with them. But we do know that families can be together forever and it is such a comfort at this time. I wish you all the best and express great sympathy. Come see us when you get to Utah again. “ We will all miss Neil but will look forward to being reunited. Neil and Ann have been great friends for probably 60+ years. My love and concern is not for Neil, he is fine, but for his wife and family. He will be missed by many people but not as much as his lovely family. I am here for all of you. Please, call me anytime that you need a listener. I love you'all. I will be there as soon as possible.###imported-begin###Gloria McDaniel###imported-end##

“ Mrs. Park, Fern, Allen, Stan, Lezli, James, and Clara, I'm so sorry for your loss. I thought alot of Mr. Park as a teacher of mine and as a fellow colleague. I have great memories of him from the time that he came to Dacula in the '60s and from the time we taught together and he retired. Thanks for the friendship that we have. I'm sorry that I will not be able to come by to see you all, but I'm in upstate New York, Lake Placid with Derek's family and will not be able to come to visitations. I wanted to let you know that you all will be in my thoughts and prayers.
