“ *I wish Heaven had a phone so I could hear your voice again. I thought of you today, but that is nothing new. I thought about you yesterday, and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which i'll never part. God has you in his arms... I have you in my heart.##imported-begin##April Patterson##imported-end##*

“ My grandmother is a lady who I most admired. She was strong in faith, honest and most loving. In her and my pawpaw , I knew unconditional love without end. She and I always had the best conversations and I will miss them dearly, as I will her. There will never be anyone like her on this earth. I know that she is now reunited with my pawpaw and watching us all from heaven, and with that I do have peace. However, she is deeply missed . I loved her more than words can describe.##imported-begin##April Patterson##imported-end##

“ I am so sorry for the family loss of this great woman! i did not know she had passed till the following Monday night when I was called by someone. She was a good lady and a great family friend. I grew up living across the street from her on reynolds rd and she was the one that led me to the lord for the first time. I can not say enough about her or how my heart aches at her passing but I do know she is with the Lord and in good hands now. If anything I can do for the family then fell free to contact me. love you all and think of all of you often. May god Bless###imported-begin##Patricia Sailors Penland###imported-end##
