“ Nick was a blessing to me during my darkest times. He encouraged me to be more than the sum of my experiences and is probably the reason I am alive today. He helped me get clean and realize I could make a difference because when no one else believed in me, Nick did. I miss him so much. My husband and I were just talking about him. He is remembered fondly.

“ I would like to express my deepest condolences to the family . I hope you can find some comfort in the words the Psalmist penned in Psalms 34:18 where God is close to the brokenhearted . As well the beautiful words found at Isaiah 25:8 that says death will forever be done away with.

“ I am so sorry for the loss of Nick, but thankful he no longer suffers. I remember the first time I met Nick. He was in his baseball uniform and I had never seen such a beautiful young man with an angelic face. I will always remember Nick just like that in my heart.
